Carbon Cycle Station Cards

Atmosphere (Air)

1 A tree takes you in through photosynthesis. **Go to Tree.**

2 A tree takes you in through photosynthesis. **Go to Tree.**

3 You stay in the atmosphere. **Go to Atmosphere.**

4 You stay in the atmosphere. **Go to Atmosphere.**

5 You stay in the atmosphere. **Go to Atmosphere.**

6 You stay in the atmosphere. **Go to Atmosphere.**

Carbon Cycle Station Cards

Tree

1 The tree uses you to grow, storing you in its trunk. **Go to Tree.**

2 You stay in the tree's trunk. **Go to Tree.**

3 Someone cuts down the tree for firewood. **Go to Firewood.**

4 Someone cuts down the tree to make wood products. **Go to Wood Product.**

5 You become part of a nut and are eaten by an animal. **Go to Animal.**

6 The tree is hit by a storm, falls over and dies. **Go to Fallen Log.**
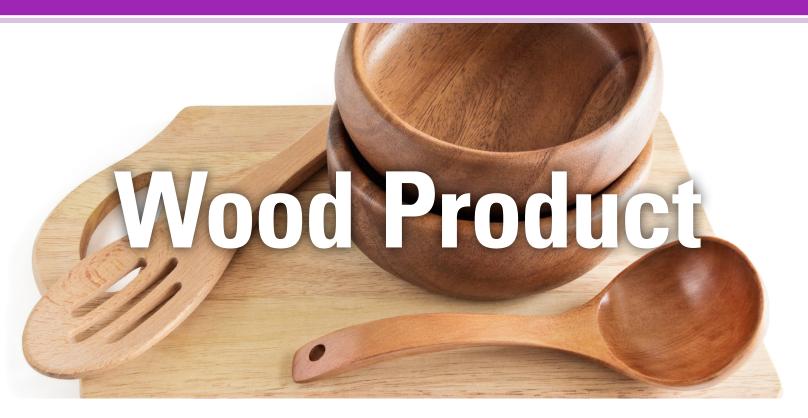

Firewood

1 The wood is burned. You are released into the atmosphere. **Go to Atmosphere.**

2 The wood is burned. You are released into the atmosphere. **Go to Atmosphere.**

3 The wood is burned. You are released into the atmosphere. **Go to Atmosphere.**

4 The wood is burned. You are released into the atmosphere. **Go to Atmosphere.**

5 The wood is burned. You are released into the atmosphere. **Go to Atmosphere.**

6 The wood is burned. You are released into the atmosphere. **Go to Atmosphere.**

Wood Product

1 You stay stored in the wood product. **Go to Wood Product.**

2 You stay stored in the wood product. **Go to Wood Product.**

3 You stay stored in the wood product. **Go to Wood Product.**

4 The product breaks and is repaired. You stay stored in it. **Go to Wood Product.**

5 The product breaks and is burned. You are released into the atmosphere. **Go to Atmosphere.**

6 The product breaks and is burned. You are released into the atmosphere. **Go to Atmosphere.**

Carbon Cycle Station Cards

Fallen Log

1 You stay stored in the fallen log. **Go to Fallen Log.**

2 You stay stored in the fallen log. **Go to Fallen Log.**

3 You stay stored in the fallen log. **Go to Fallen Log.**

4 The fallen log decays. You are released into the atmosphere. **Go to Atmosphere.**

5 The fallen log decays. You are released into the atmosphere. **Go to Atmosphere.**

6 The fallen log decays. You are released into the atmosphere. **Go to Atmosphere.**

Carbon Cycle Station Cards

Animal

1 The animal respires (exhales) you. **Go to Atmosphere.**

2 The animal respires (exhales) you. **Go to Atmosphere.**

3 The animal stores you in its cells. **Go to Animal.**

4 The animal gets eaten by another animal. **Go to Animal**

5 The animal dies and decays. You are released into the atmosphere. **Go to Atmosphere.**

6 The animal dies and decays. You are released into the atmosphere. **Go to Atmosphere.**

Grades 6-8
