Sample Rubric for Reducing Our Class's Carbon Footprint

	Level 4	Level 3	Level 2	Level 1
Areas of Improvement	The areas included were comprehensive and realistic.	Most areas were addressed and/or realistic.	Few areas were addressed and/or plan was not realistic.	Only one area was addressed and/or plan was not realistic.
Plan of Action	Plan was comprehensive, realistically addressing all areas identified for improvement.	Plan was comprehensive but did not address all areas of improvement or was not realistic.	Plan did not address areas for improvement adequately and/or was not realistic.	Plan did not address areas of concern at all and was not realistic.
Presentation	Presentation was well prepared and clear, and every group member presented, following good presentation etiquette.	Presentation was planned and clear. Not all presenters followed good presentation etiquette and/or not every group member presented. Most presenters were well informed on content.	Presentation did not appear to be well planned, and not all group members presented. Few of the presenters were well informed on content.	Presentation was not well planned and only one or two people presented. Presenters were not well informed on content.
